2020/21 Season Welcome Pack

Dear Parent / Player

Welcome to Rocklands Youth Football Club!

It has been a difficult few months for the world whilst we faced many challenges in relation to CV-19 and from a footballing perspective it was difficult to have such a sudden end to what was a very enjoyable season for the club.

During lockdown, it is not been easy to keep a non-profit organisation above water but thanks to our wonderful coaches and members we have managed to adhere to all the various guidelines being thrown at us by The FA. We appreciate all the patience and support from our players and parents whilst this is a challenging time for all to ensure Rocklands Youth Football Club is still here and can offer football to over a hundred local footballers, exhibiting excellent practices in the 'new normal'

With the above in mind, we have managed to expand our current crop of teams with a further three teams (*), whilst attracting some very dedicated coaches which I would like to also welcome to the club. It is paramount that we support these volunteers in their debut seasons within Youth Football.

Our team managers for the upcoming 2020-2021 season are as follows:

- U6 Rockets (Year Reception & 1): - TBC - current vacancy
- U7*: Will Myers
- U8 Rockets*: Sam Mouser
- U8 Reds*: Jason Goffin
- U9: Carl Gardiner
- U11: Jonathan Cane / Chris Staples
- U12: Seb Billing / Adam Sandell
- U13: Rob Pyatt
- U16 Rebels: Tristan Ashby / Paul Uglow
- U16 Reds: Bradley Rix

Elected Club Officials are as follows: (Contact Details can be found enclosed or on the Club Notice Board)

- Chairman – Jack West-Jordan
- Vice Chairman – Seb Billing
- Secretary – Lee Cutting
- Treasurer – Kelly Ashby
- Welfare Officer – Bradley Rix
- Web-Master – Tristan Ashby

Training costs will be included within a 'Membership Fee' so training is provided when it is deemed safe to do so and in the rare event our coaches must cancel; the coaching team will do their best to cover each other. Our coaches take responsibility of the safety of the sessions by completing Risk Assessments. If a session is deemed unsafe, the session will not take place.

If a team wishes to find alternative facilities due to bad weather, then cost is expected to be covered by participants of that session. This is subject to the facility cost and number of attendees.

Please make payment for 'Membership Fee' by Bank Transfer ONLY, referencing the child name and team name
